Last updated: 5/1/2011

**Note:** Pre-Pharm.D. students may wish to include in their preparatory course work, as time/space allows, some of the non-professional curriculum graduation requirements: **2 credits of any kind of history** and **3 credits of humanities electives**. These graduation requirements may be completed before or after starting the Pharm.D. program. They must be completed before completion of the Pharm.D. program.

**Note:** College Board Advanced Placement (AP) and International Baccalaureate (IB) credit is accepted per University of Wisconsin - Madison guidelines.
