1. Monitor student progress through the BS and PharmD programs, including both academic performance and professional conduct.

2. Review the Student Promotion Policies and Procedures and bring recommendations forward to the faculty for changes. Specifically ensure that Student Promotion Policies and Procedures are aligned with new accreditation standards.

3. Review the Technical Standards and bring recommendations forward to the faculty for changes. Especially review Technical Standards as it relates to McBurney VISA’s and the Americans for Disabilities Act.

4. Work closely with the Experiential Learning Program Committee to align all policies regarding satisfactory academic and non-academic performance in IPPEs and APPEs with the didactic portion of the curriculum.

5. Work with the Admissions Committee (lead group), in conjunction with Assessment Committee, and academic advisors, to link student performance, retention, and completion data with admissions data to assess admissions, curricular, and student development programs and practices.

6. Improve sharing of de-identified information about academic and non-academic academic and misconduct cases and the consequences with relevant stakeholders.
7. Review Committee processes and logistics to ensure optimum meeting effectiveness and member participation.

8. Construct meeting agendas and maintain detailed minutes of Committee discussions, actions, and recommendations. In addition, provide a short, written report to the Dean by June 30, 2016 summarizing the year’s activities of the Committee and how those activities fulfilled the charges and support the School’s mission and strategic priorities. These documents will be posted, as appropriate, on the SOP Committee webpage (http://pharmacy.wisc.edu/about-school/office-dean/committees) to keep the School informed.

9. Bring items and issues forward for faculty discussion/decision making throughout the year, as appropriate. If requested by the Dean, provide a short, verbal report of the past year’s Committee activities to the faculty at a fall Faculty/Staff meeting.
