Educating – Advocating - Collaborating

March 2016

Hello WSPS Members!

We are so excited for the upcoming elections for next year's new board members! There will be many opportunities to get involved within WSPS throughout this semester. Talk to current leaders that hold these specific positions and ask questions about what their position entails. It's never too early or too late to get involved and make a difference!

Your Secretary/Historian,
Rebekah Lee
