Pharmacy Students*

Hello WSPS Members!

Challenge yourself to become involved and engaged in the community, it's never too late! Get involved in patient care projects and participate in various types of professional events. Start to think about your involvement in WSPS and whether you would like to be a leader next year. WSPS offers countless opportunities for you to grow. Always feel free to ask questions! WSPS can offer many resources through student leaders and through national organizations.

Your Secretary/Historian,  
Rebekah Lee
