

2020 - 2021 HEALTH SCIENCES EQUITY & DIVERSITY LUNCH & LEARN SERIES

Decolonizing Health Equity: Global Health & Me

Thursday, April 22nd, 12:00 to 1:00 pm

Lori DiPrete Brown, MS, MTS is a Distinguished Faculty Associate, jointly appointed in Civil Society and Community Studies and the School of Medicine and Public Health. She Directs the campus-wide 4W Women and Wellbeing Initiative, which focuses on improving the lives of women and girls both locally and globally. She also serves as an Associate Director of the UW-Madison Global Health Institute. Lori began her career as a Peace Corps Volunteer in Honduras, where she worked with social services for teenage girls. Her subsequent public health practice, teaching and research have focused on the efforts of governments and civil society organizations to support the wellbeing of women and children in highly vulnerable situations around the world. DiPrete Brown holds degrees from Yale College, the Harvard School of Public Health, and the Harvard Divinity School. Her teaching and service inform her writing and speaking about global health, civil society, and social change. She is the lead author and editor of *Foundations for Global Health Practice* (Jossey-Bass, 2017) and has written a novel based on her work in Honduras entitled *Caminata: A Journey*. Contact information: dipretebrown@wisc.edu. See her TEDx talk on global engagement at <http://www.youtube.com/watch?v=-HE9SypCzXU>.

Laurel Legenza, PharmD, MS is the Director of Global Health at the University of Wisconsin-Madison School of Pharmacy and a UW Institute for Clinical and Translational Research (ICTR) TLI Postdoctoral Trainee. Dr. Legenza is currently leading research projects in Cape Town, South Africa and Wisconsin. The primary foundation of Dr. Legenza's research agenda is informing changes within health systems with the application of implementation science methodologies and provision of action-oriented information. Dr. Legenza's research aims to strengthen South African district hospitals with the implementation of a *Clostridioides difficile* infection intervention. The mixed-methods-project started with stakeholder engagement and assessment of local needs in South Africa to select *C. diff.* infection as the area of focus. Her team then completed epidemiology and qualitative studies that informed the design and implementation of a checklist for *C. diff.* infection in public district level hospitals. In Wisconsin, Dr. Legenza is leading an antimicrobial resistance geospatial mapping and modeling project. Results from her research are published in *BMJ Global Health*, *Antimicrobial Resistance and Infection Control*, and *Antimicrobial Agents and Chemotherapy*. Dr. Legenza initiated these projects during her Comparative Health Systems Global Pharmacy Fellowship at the UW-Madison School of Pharmacy. Contact information: Legenza@wisc.edu

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the University of Wisconsin-Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCM), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statements

Accreditation Council for Pharmacy Education (ACPE) A maximum of 1.0 hour of knowledge-based CE credit can be earned by successfully completing this live activity. Pharmacists should claim only the credit commensurate with the extent of their participation in the activity. CE credit information, based on verification of live attendance, will be provided to NABP within 60 days after the activity completion. 2020 Universal Activity Number (UAN) JA0000358-0000-20-038-L04-P

American Medical Association (AMA) The University of Wisconsin-Madison ICEP designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. **American Nurses Credentialing Center (ANCC)** The University of Wisconsin-Madison ICEP designates this live activity for a maximum of 1.0 ANCC contact hour. **American Psychological Association (APA)** Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs. **ASWB Approved Continuing Education (ACE)** As a Jointly Accredited Organization, the University of Wisconsin-Madison ICEP is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. **University of Wisconsin-Madison ICEP** maintains responsibility for this course. Social workers completing this course receive 1.0 live continuing education credits. **AAPA Credit Designation Statement** The University of Wisconsin-Madison ICEP has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1 AAPA Category 1 CME credits. Approval is valid until 6/30/2022. PAs should only claim credit commensurate with the extent of their participation. **Continuing Education Units** The University of Wisconsin-Madison ICEP, as a member of the University Professional & Continuing Education Association (UPCEA), authorizes this program for 0.10 continuing education units (CEUs) or 1 hour.
