

PHARM D ADMISSION FALL 2023

Patient care is at the heart of what pharmacists do. On a top medical campus, you'll learn by doing as you help patients. From immunizing patients to screening for chronic diseases like diabetes, you'll make a difference in people's health as a student pharmacist at UW-Madison.

Selection Criteria

1. Academic achievement
2. Communication skills
3. Completion of required pre-pharmacy courses
4. Cultural awareness and understanding
5. Diversity of background and experiences
6. Experience in pharmacy, healthcare, or research
7. Extracurricular activities, community service, volunteer experience
8. Interest in and understanding of the pharmacy profession
9. Leadership experience
10. Pharmacy College Admission Test (PCAT) scores
